

Michael W. Covel is President of Trend Following and Trading University. A researcher of the most successful Trend Following investment managers, he has been consulting on Trend Following to individual traders, hedge funds and banks for nearly ten years. Teaching and sharing unique insights about Trend Following trading and alternative investments has earned Covel respect as a rational and logical voice in uncertain times. He is a frequent guest on national radio talk shows advising listeners on financial decision-making, trading and Trend Following. Covel also serves as Managing Editor at TurtleTrader.com, the leading Trend Following news and commentary resource. He holds a Bachelor of Arts degree from George Mason University and a Masters Degree in Business Administration from the Florida State University College of Business.

Living and working in Virginia, he is a lifelong baseball fan.

## THE FIRST BOOK ON TREND FOLLOWING TRADING

*“Covel has created a very rare thing - a well documented and thoroughly researched book on trend following that is also well written and easy to read. It touches on a wide variety of the principles and practices which make for successful trend following. This is one book that traders at all levels will find of real value.”*

—John Mauldin, author of Bull’s Eye Investing and editor of *Thoughts from the Frontline*

*“Trend Following will replace Market Wizards as the must-read bible for a new generation of traders.”*

—Jonathan Hoening, Portfolio Manager, Capitalistpig Hedge Fund LLC/Fox News Contributor

*“I think the book did a superb job of covering the philosophy and thinking behind trend following (basically why it works). You might call it the Market Wizards of Trend Following.”*

—Van K. Tharp, Ph.D. President, International Institute of Trading Mastery, Inc.

*“Michael Covel mixes a unique blend of trend following matters with the thoughts and quotes of successful traders, investors and society’s leaders. This is a valuable contribution and some of the best writing on trend following I’ve seen.”*

—Robert (Bucky) Isaacson, Managed Money and Trend Following Pioneer for 30+ Years

*“Michael Covel’s book is the definitive guide to trend trading. Backed by real world results from some of the biggest and best money managers in the United States, his book will put you on the path to successful trend trading.”*

—Larry Connors, CEO, TradingMarkets.com

*“Trend Following: Definitely required reading for the aspiring trader.”*

—David S. Druz, Tactical Investment Management

*“Trend Following by Michael Covel explains the wisdom behind the trending function of the markets. The practical application of this philosophy is based on the pervasive logic of price behavior. Market Stories and Market theories will come and go but trends will remain. Follow them and study this book.”*

—Woody Dorsey, author of *Behavioral Trading* and creator of Market Semiotics

*“Please read [Trend Following] whether you think you have an interest in trend following or are not quite sure. I guarantee you will be happy that you took the time...Again, get this book. Covel has hit a home run with it.”*

—Gail Osten, Editor-in-Chief, Stocks, Futures & Options Magazine, Official Journal for Personal Investing in Stocks, Futures and Options

# TREND FOLLOWING

How Great Traders Make Millions  
in Up or Down Markets

MICHAEL COVEL

\$29.95 U.S. / \$42.95 Canada

For 30 years, one trading strategy has consistently delivered extraordinary profits in bull and bear markets alike: Trend Following.

Just ask the billionaire traders who rely on it.

In this book, you’ll meet them . . . and you’ll discover how to use Trend Following in your own portfolio. Even if you’re not a billionaire. *Yet.*

Michael Covel rigorously analyzes historic performance data proving that Trend Following trading works. He goes right to the source for insight from some of the best trend followers ever. How to limit risk, employ discipline, and swing for the home run are all part of Trend Following. Covel also debunks Wall Street Holy Grails such as buy and hold and the use of fundamentals for trading decisions.

- The proof is in the results  
Hard performance data from professional money managers
- All the information you need . . . in *one* number  
Why the market price tells you all you need to know to trade
- Pinpointing targets of opportunity  
What to trade, when to trade it, and how much to trade
- How it’s done: classic case studies  
Who profited from the global scandals of the last 15 years . . . and how they did it
- Meet the Trend Followers  
Extraordinary trader profiles, including Bill Dunn, John W. Henry, and Ed Seykota
